Freshman Orientation

"It's what you make it."—"Oh come on Angela, you've GOT to be kidding."—For the average freshman these two phrases were heard around every corner from Saturday, August 24 until Saturday, September 8. The first phrase, "It's what you make it", from Anglea Smith, SBA Attorney, became the freshman '85 motto of life. The second phrase, "Oh come on, Angela, you've GOT to be kidding", was heard from every freshman everyday at least twice. This phrase was fast becoming the motto of the 1985 Freshman Orientation.

What was Angela kidding about! She wasn't! The order of the day—a bright yellow shirt and a blue MC beanie.

It all started with boxes, suitcases, new faces, tearful good-byes and massive excitement! Then it was on to meet Dr. Nobles and shake fifty-thousand hands. Later a mini concert in the fellowship hall of First Baptist, Clinton ended what seemed like a hectic weekend, but was really the beginning of what would be an even more hectic two weeks.

Eight o'clock in the morning: flag raising time in the quad with everyones favorite wake-up song "Tony Chestnut."—(toe-knee-chest-nut) Freshman came from all over (well, some freshmen!) to salute the flag. Usually during the day there was an activity planned to keep these newcom-

ers busy—a picnic here, a rap session there. Nighttime brought on more exciting activities. From BSU gatherings to water balloon fights, the freshmen had not a moment to spare. Then came the hard part—SCHOOL! Registration began and from then on it was business as uusual.

Many thanks to Angela Smith, without whom none of this would have been possible; Group leaders and SBA members, without whom none of this would have been financially probable; and the '85 freshman without whom none of this would have been necessary!

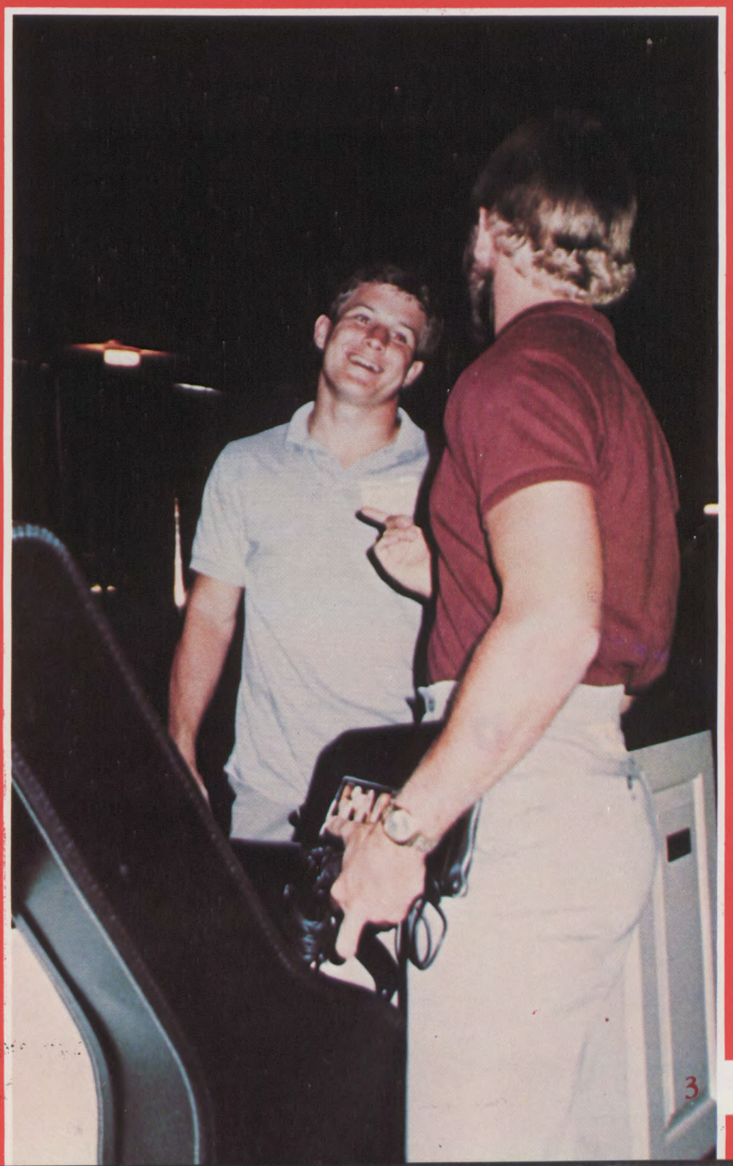

—Cherie Neyrey—

AFTER TWO LONG WEEKS OF ORIENTATION, freshmen get fired up on Friday for the first game of the season on Saturday. Dressed as Choctaws, the freshmen are anxious to learn the cheers of the land of the Blue and Gold.

OBSERVING THE HAREM OF GIRLS Billy Rayburn had encircled around him, Mike Harkins believed the charm was the Bible. Mike grabbed the Bible and immediately Cathy Cole became attracted to him.

ASSISTANT BSU DIRECTOR, Dennis (Den-Den) Atwood, promises Billy Rayburn he can play the guitar at the next gathering.

TIM FANCHER, CHERIE NEYREY, AND TERRY FANCHER make a Fancher sandwich while Brent Jordan looks on in amusement.

ANNE KNIGHT AND DOUGLAS FOSTER, dressed in their Freshman attire, take a break in the quad and plan their schedules.

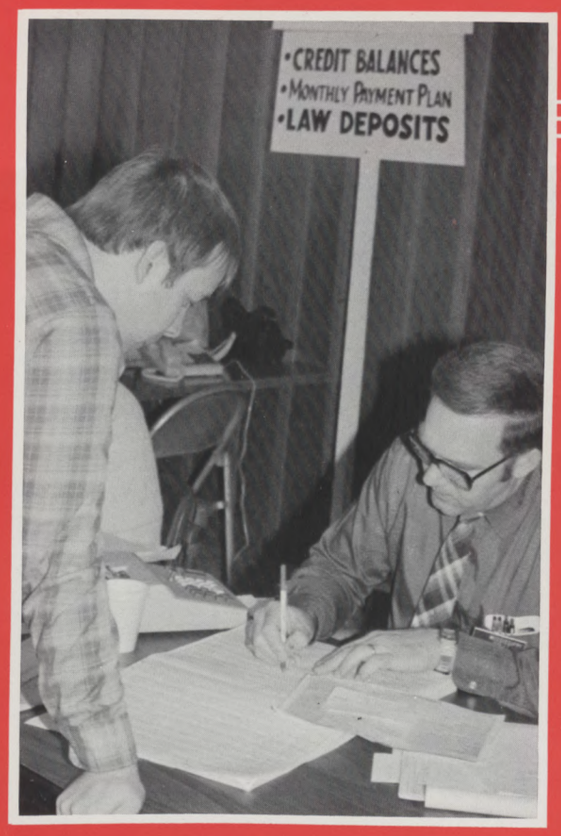

FRESHMAN ORIENTATION

BLAIR HUDDLESTON, from Memphis, Tennessee, is caught walking across the grass and is ordered to crawl of by the "A Team."

REGISTRATION

The line formed early in the morning and moved at a snail's pace for most of the day. Unfortunately, this was not general admission to the latest rock concert. Nope—it was Mississippi College registration, and it's an experience you are not likely to forget.

Meeting with their advisors, freshmen discovered that—no, 15 hours doesn't mean 15 hours a day and yes—chapel is required, and "My books weigh more than your books"!

"LOOK THROUGH THE FILES again—I promise I'm me, Laura Landrum."

"THE SUM TOTAL OF ALL THE PARTS", Mr. Shearer from the Business Office helps students through the most dreaded part of the registration.

Nothing short of mass confusion could describe the freshman's first try at the "class card" step. Without the direction of some very patient faculty members, this could've been an all-day excursion!

An annual favorite is the dreaded "I.D. picture". Cries of "But yellow just isn't my color!' could be heard, and also screams of agony as freshmen realized they would be tied to this picture for nine months.

And, of course, the classic is the freshmen's first look at their bill. (No way, does this cost this much!") This year's class handled it pretty well, but there were a few scary moments when some freshmen couldn't find scholarship papers. In the end, it all worked itself out. It always does. And every year it gets easier and easier. The only problem is—by the time you've figured out the system, you've graduated!

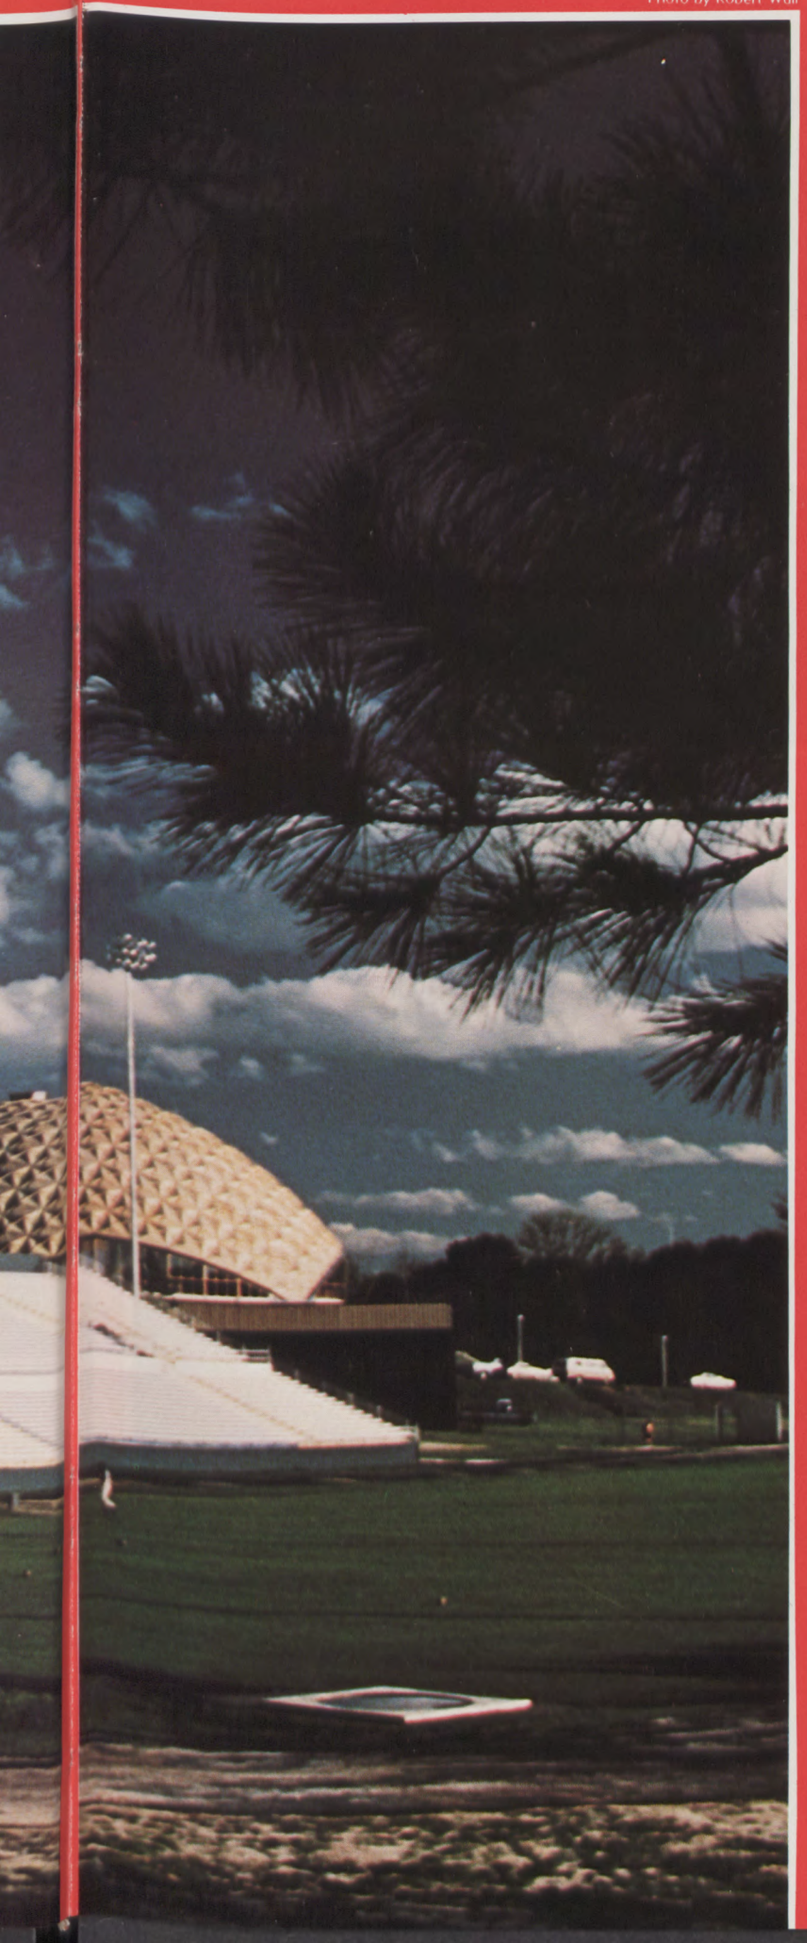

WHAT TO TAKE AND WHEN TO TAKE IT, meeting with the advisor makes a little sense out of it all.

"... The name Robinson-Hale Stadium immediately brings to mind great names of the past who have brought honor to Mississippi College ..."
—Dr. Lewis Nobles
President, Mississippi College

Coach Stanley L. (Robbie) Robinson came to Mississippi College in 1920 and except for a short stint with Mercer University and some overseas service with the American Red Cross, he spent his entire career (36 years) with the college.

In developing the Choctaw Athletic tradition, Robinson served as head football coach, head baseball coach, and athletic director. From 1954 he served solely as athletic director until his retirement in 1961.

Among his prize football pupils was Edwin (Goat) Hale, the first back in Mississippi History to be named to the National Football Foundation and Hall of Fame.

Hale entered Mississippi College in 1915. After playing a prominent part in bringing the State Championship in 1916, he spent two years in the Army and came back to M.C. even better and faster than before. Hale captained the Choctaw team in 1920-22.

On Homecoming 1977, John King, Jr. presided over a group of over 100 former Choctaw lettermen. They voted to establish the National M Club for the purpose of giving supoort to the M.C. athletic program and to head up a fund drive to build a new stadium. Lead by officers Herman Wells, John King, Jr., Harry Upton, John Legg, and Bernard Blackwell, the club voted to establish a fund drive to build a new Stanley L. Robinson Field and a stadium to be named the Edwin W. "Goat" Hale Stadium.

Progress was slow through 1983, although successful fund drives were held in different areas of the state. In 1984, the Hale estates were closed pushing funds near the $500,000 mark. A banquet co-sonsored by the M-Club and the National Football Foundation secured over $15,000 for the fund. Over 700 individual gifts have been received.

At Homecoming 1984, the National M Club recommended to the trustees that the official stadium name be Stanley L. Robinson—Edwin W. "Goat" Hale Stadium and in December 1984, Dr. Lewis Nobles was given authority to begin construction. Under the leadership of Malcolm Waren, an architect was employed and work began in March 1985.

Dedication of the stadium took place on Saturday, October 26, 1985 preparatory to the Mississippi College/Livingston University game.

HOMECOMING 1985

A more appropriate theme could not have been chosen. It was evident in the special Homecoming Follies skits—each one depicting a different period of MC history. These promise to be an annual event as Art Stevens and Judy Shanks got them off to a great start.

You could see it in the faces of alumni as they met class reunions and received awards.

Nowhere was it more obvious than in our classic MC traditions such as receptions held by the Social Tribes; the parade, led by the infamous firetruck; and especially the sound of a beating drum all night prior to Homecoming Day.

Our present isn't too bad either! The Chocs came out over Valdosta State 28-7 and the queen and her court came out looking beautiful for the game.

Perhaps the best representation of a strong past-bright future was the new Robinson—Hale Stadium. As the new field saw it's first Homecoming, we remembered football heroes, and spirited students from our past. We also looked ahead to more good times in a stadium at a school which strives to "help every student reach their highest future dreams.

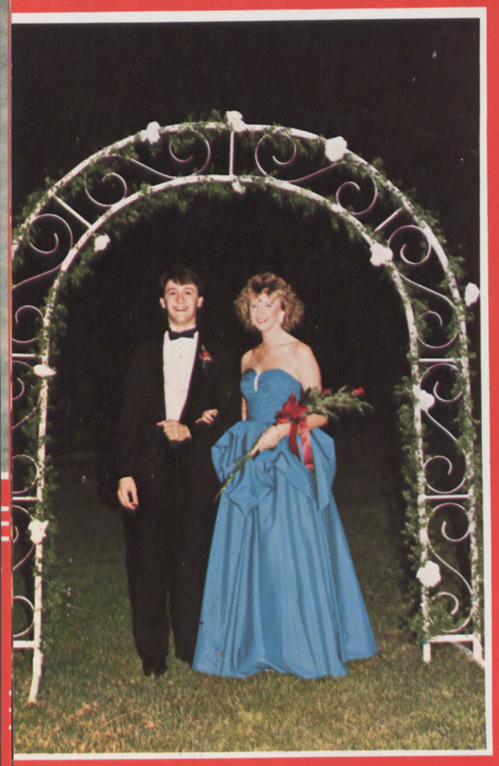

Miss Anna Hamilton, from Lakeland, Florida, was crowned Homecoming Queen, November 2, 1985. Her escort was Mr. Art Stevens, S.B.A. President.

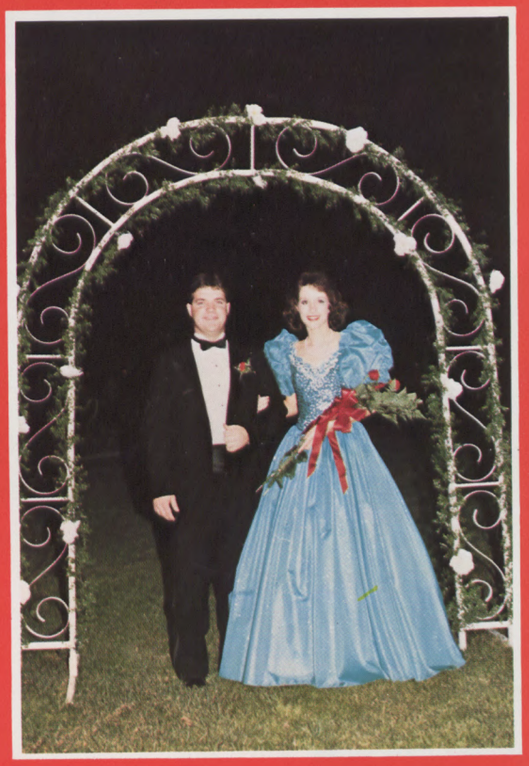

Miss Tamera Butler, from New Orleans, Louisiana, was elected Maid of Honor. Her escort was Mr. Mark G. Veal, S.B.A. Vice-President.

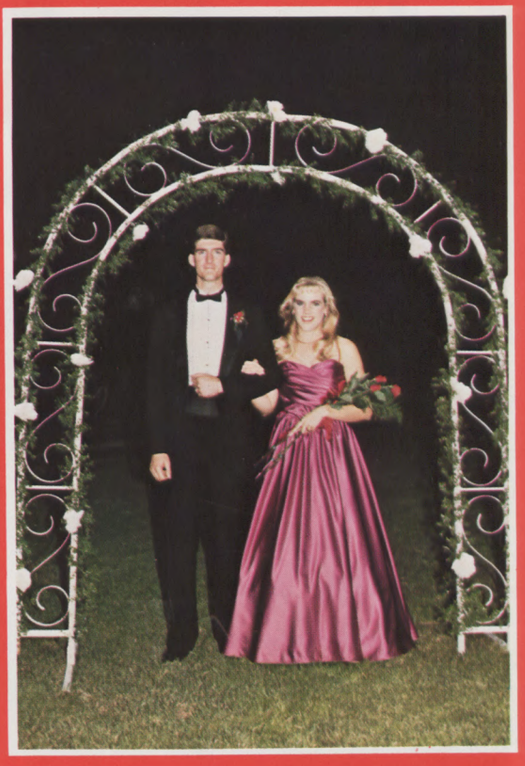

Miss Robyn Douglas, from Brookhaven, Mississippi, represented the Senior class. Her escort was Mr. Eddie Hatchett, Senior class President.

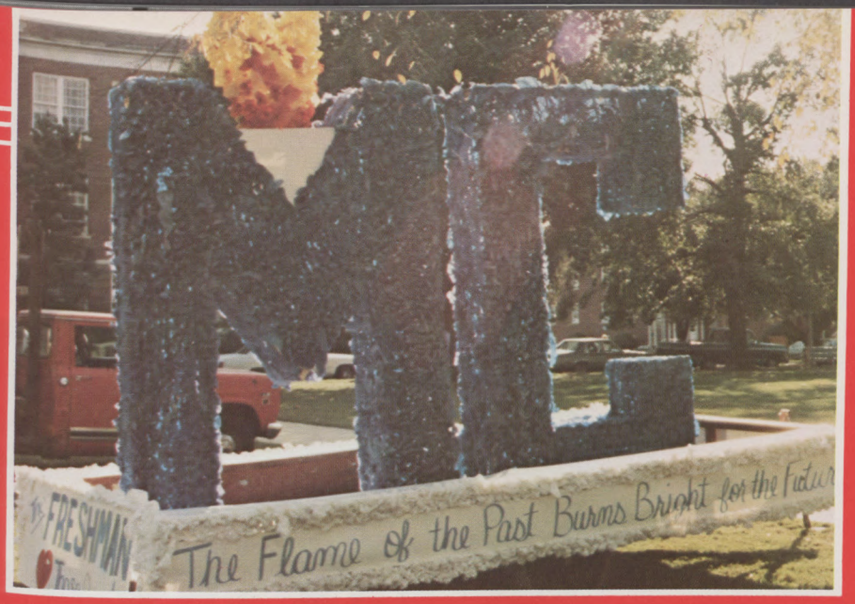

Representing the Junior class was Miss Pat Starnes from Orlando, Florida. Her escort was Mr. David Nowell, Junior class Vice President.

Miss Karen Massengill, from Brookhaven, Mississippi, was elected Sophomore Maid. Her escort was Mr. Rodney DePriest, President of the Sophomore class.

Elected as Freshman Maid was Miss Holly Hollman from Jackson, Mississippi. Her escort was Mr. Glenn Robinson, Freshman class President.

FOLLIES IS A SUCCESS thanks to the hard work and dedication of Judy Shanks, Follies director, and Art Stevens, Student Body President.

The theme for Homecoming 1985 was "Strong Past . . . Bright Future." In the first production of Mississippi College Homecoming Follies, this theme was very evident. The idea for the Follies was originated by Art Stevens, Student Body President, and Judy Shanks, a junior, with hopes of it becoming a Mississippi College tradition.

With a motorcycle, a band, and choreography, the men of Civitan walked away with first place with their production of "MC—Fifties Style." Nenamoosha Social Tribe and Laguna Social Tribe tied for Second place with their portrayal of the Twenties and Eighties respectfully. Other groups participating were Swananoa Social Tribe, Kissimee Social Tribe, and Circle K Mens Club. Entertainment was provided by Tamera Butler, Miss MC 1985, and Michael Passons.

Spring Fever Day

And it is written—that on a predetermined day, in the spring of the year—all Mississippi College students shall forego their previous studies and major in "having a good time."

Much looked forward to and much remembered afterward. The 1986 Spring Fever Day was held on April 12. Beginning with lunch, volleyball, and frisbee on the quad, the day put students in the mood to head for the beach. Jackson's resevoir was close enough and it set the stage for an afternoon of organized chaos! Spring Fever Day is one of our best traditions ever.

From volleyball to a Twister Tournament, there was something for sports participants and spectators alike. Dominoes Pizza and Coca-Cola Bottling Company were co-sponsors of Spring Fever Day 1986. "Resevoir Rock" hosted a variety of airbands including "Puttin On The Hits" hopefuls Doc Red and the Dominoes. Walt Grayson, MC graduate, from WLBT Channel 3 emceed this event.

Each Spring Fever seems to get better and better, and next year as students wear their '85 Spring Fever T-Shirts around campus—they'll take lots of fun memories with them.

LAGUNA saves Prince Tristan in agrand finale.

MAKING NEW FRIENDS is what LT Rush is all about.

IT WOUNLD'T BE LAGUNA RUSH without a song from Mary Karen Armstrong.

Laguna Rush

The first rush party was held in Aven auditorium on Tuesday, September 10th as Laguna Social Tribe presented "Ballon . . . Believe It." The skit which was written and directed by Laguna's rush chairman, Mary Karen Armstrong, gave the rushees the opportunity to see what Laguna is all about.

A summer of hard work paid off as the rushees joined with six M.C. girls as they traveled to the mysterious land of Ballon to save the valiant Prince Tristan and four of Degan's daughters from the wicked Queen Heloise. In order to make her kingdom run more smoothly, Queen Heloise cast a spell on the land which destroyed all originality and individuality. Everyone in the land of Ballon was alike in personality except for Prince Tristan, his friend Degan, and Degan's twelve daughters. The girls from M.C. realized how important it was to be unique and helped to restore Ballon. In return for their help, the girls were led to the good Drucilla. Drucilla could not instruct them as to what tribe to join upon returning to M.C., but she did leave them with three guidelines. First, feel free to be yourself. Second, accept the differences in people as valuable. Third, find a home in a tribe where you can find someone to share your joys and sorrows with. These three guidelines were the basis of the skit.

Nenamoosha Rush

Preparation for "Some Enchanted Evening" presented in Aven started before the fall semester even began. During workshops in the summer, Bae Brock, rush chairman, began explaining the plans. When the production of "Some Enchanted Evening" was presented by Nenamoosha Social Tribe, all of the hard work from the actives seemed worthwhile. The rushees sat back, relaxed, and interpreted the personality of Nenamoosha Social Tribe.

The basic plot revolved around one college girl, played by Kerryl Ann Grantham, and her struggle to break away from her evil parents and become a part of a social tribe. Her Beary god Mother, played by Amy Washburn, comes to the rescue as she prepares for a party she has been invited to attend with a guy all of the girls are wanting to be noticed by. She leaves her shoe at the party as she rushes off before the clock strikes 12 midnight. The Beary god mother shares some "Precious Moments" with her and gives her some helpful advice. "Follow YOUR Rainbow and always be yourself. You will make whatever choice the best or the worst by your own actions." In the end She is the girl who finally fits into the lost shoe.

Through the Years

KT does it again. The 1985 Kissimee Rush was a delightful evening again this year. It was very informative about the tribe and the "newness" of being a fresh face in an already comfortable atmosphere.
Making the rushees feel right at home at MC involved a lot of hard work by many KT girls. After long hours of hard work, the preparation paid off as rushees were charmed by the girls in pink.

Fame...

The hard work and dedication of ST paid off as their Rush Party took spotlight on September 20. Swannanoa captured the hearts of the freshmen rushees as well as others watching with their unique production of "FAME." The musical numbers in "FAME" were both exciting and emotional. ST's production showed the freshmen that being yourself was the important thing to remember in college, not trying to change to be someone else.

Greenwood makes a fan's birthday very special—a copy of his latest album.

Greeting fans and signing autographs after the concert made Greenwood even more popular with the crowd at A.E. Wood.

Singing a McDonald's jingle brought him to the attention of MCA Music; several hit records brought him solid national recognition; and the Mississippi College Lyceum Committee brought him to A.E. Wood Coliseum.

Lee Greenwood electrified the audience on April 8 with a history of his musical career from his first single to his latest album.

In August 1981, Greenwood released his debut for MCA records, "It Turns Me Inside Out." It remained on Billboard's country misic charts for twenty-two consecutive weeks. It seemed there was no stopping his career as single after single leapt to the top of the charts. Greenwood's songs were not only played on country music stations, but Top 40 and adult contemporary stations as well.

His second album went "gold" and then the awards began pouring in. In eight months time he was honored as Male Vocalist of the Year during the Country Music Association Awards, the Grammy Awards, the Academy of Country Music Awards, and the Music City News Cover Awards.

During the concert, Greenwood sang several songs from his new album, "Streamline," as well we most of his earlier hits. He and his multi-talented band played to a very appreciative audience who stood and cheered during "God Bless The USA" at the close of the show. Some even brought roses!

Greenwood appeared soon afterward on the Twenty-first Annual Academy of Country Music, where his single "Dixie Road" was among the five nominees for song of the year.

20th Anniversary Edition

The 1986 MISS MC Pageant was the 20th Anniversary of Pageants here at Mississippi College which brought an added highlight to the night's events. Not only did a slide show give each person a background of information about the MISS MC Pageant, but many of the past queens returned for the evening. Joan Stephanie Myers Bayer, who went on to become MISS MISSISSIPPI also returned looking as radiant as ever.

Thirteen girls walked down the pageant ramp in hopes of becoming the 1986 MISS MC, but only one contestant could walk down the runway at the end of the evenings events. Allyson Allen from Magee, Mississippi, was the lucky girl selected as MISS MC 1986, with Kerryl Grantham, Sharon Cooper, Marianne Savell, and Laura Whaley chosen as alternates. Laura Whaley received the academic award while Marianne Savell was awarded by the contestants the honor of Miss Congeniality.

Mrs. Eva Hart worked hard again as faculty advisor. She has received wide recognition for her success in directing the pageant in past years. Mrs. Hart's dedication was seen in all aspects of the pageant.

David Taylor, a junior, was the student director. The success of the night definitely showed the leadership ability present in David. All of the sacrifices that had to be made were worth everything when the final production was over.

From rehearsals to interviews, each girl found out more about themselves while forming new friendships. The evening ended with a reception in the Reserve Lounge given by Dr. and Mrs. Lewis Nobles.

Choctow Little Sis Program

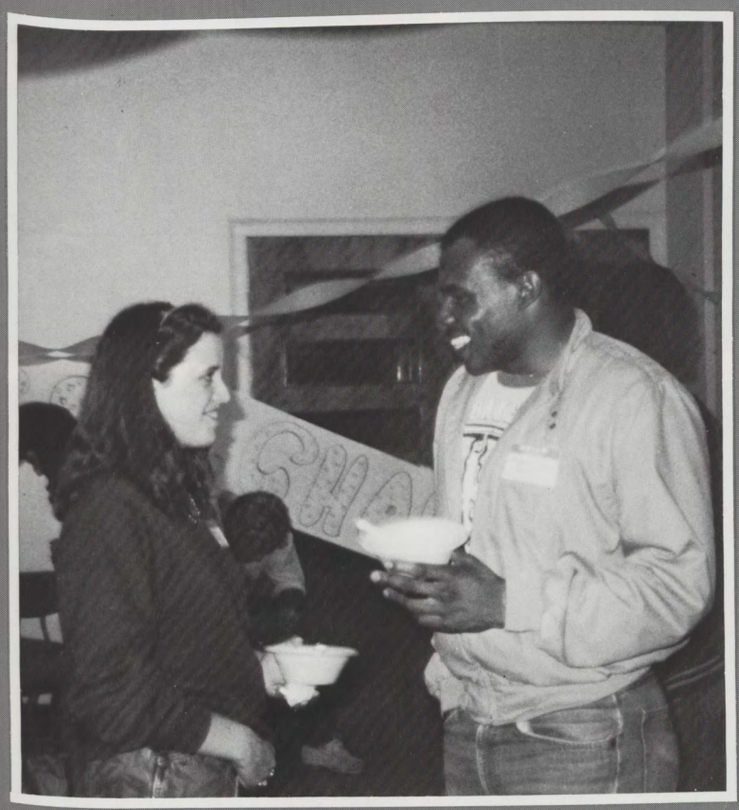

Each freshman girl was given the opportunity to help support the Mississippi College Choctaw football team, by becoming a Choctaw Little Sis. The football players received notes, goodies, signs, etc. from their Choctaw little sisses during the football season. An ice cream party was given after football season for the football players to meet their little sisters, since the names of their little sisters were a secret during the football season. Angela Smith, Student Body Attorney, was in charge of the program.

Dr. Lewis Nobles—President

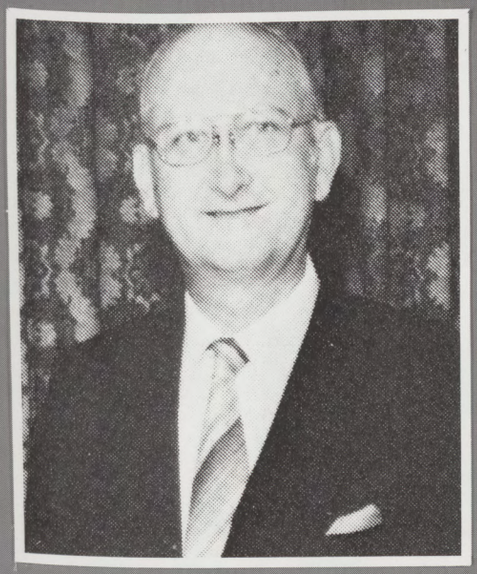

Dr. Lewis Nobles begart his administration at Mississippi College in July of 1968. Since that time, many changes and improvements have been made in instruction, curriculum expansion, library additions, and plant facilities. Dr. Nobles and his wife, Joy, are both pharmacists. Dr. Nobles got his Bachelor of Science and Master of Science degrees from the University of Mississippi, his PhD. from the University of Kansas, and did post doctoral study at the University of Michigan. Dr. Nobles served as Dean of the School of Pharmacy at Ole Miss before coming to MC in 1968.

Dr. and Mrs. Nobles are both avid sports fans and are seen frequently at campus functions. They are active in First Baptist Church of Clinton and a variety of community organizations. Dr. Nobles is a noted public speaker and travels often for speaking engagements. Dr. and Mrs. Nobles live in the Hendrix House, and are often hosts for receptions and community functions.

Dr. Lewis Nobles is a friendly face on campus, always willing to meet and talk with students. Dr. Nobles has been highly respected and admired as a fine President of Mississippi College throughout the seventeen years which he has served.

HEADED FOR CONFERENCE

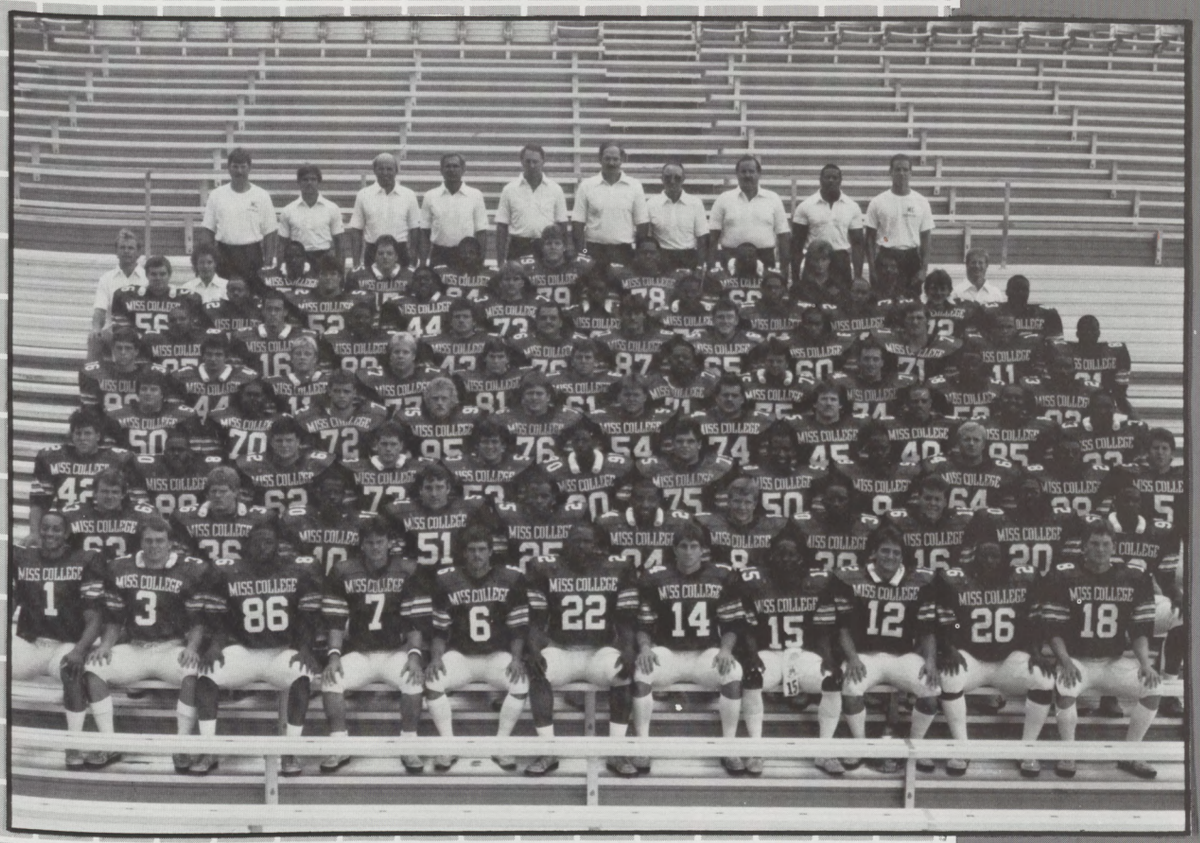

The fighting Choctaws of Mississippi College looked optimistically and enthusiastically to their fourteenth season under the direction of Coach John Williams. In preseason picks, the Mississippi College Choctaws were chosen to finish third in the Gulf South Conference. SPORTS ILLUSTRATED magazine also chose MC to finish sixth in the nation. With thirty eight returning lettermen, MC was easily in contention for the GSC championship title.

The Chocs opened their season with an impressive 17-13 victory over their Gulf South Conference rivals, University of North Alabama, on September 7. However, the Choctaws enthusiasm soon began to falter as they stepped out of their division, played division I-AA Arkansas State, and were defeated 41-13 the following week. MC's luck quickly returned with a 34-30 victory over Southeastern Louisiana. Their victories continued with another win over Tennessee-Martin, 38-0. The Chocs reign florished with yet another win over Jacksonville State, 50-3, in the new Robinson Hale Stadium. This victory left the Choctaws tied for the GSC lead with Troy State. Troy State fell out of contention for the title when MC defeated the Trojans 45-21. Despite a 30-28 loss to West Georgia the following week, MC remained tied with the University of North Alabama for the GSC championship. Following a 28-7 win over Valdosta State, the Choctaws only needed one more win to enter the Gulf South Conference playoffs. However, the long awaited dream of the playoffs never arrived as MC tied rival Delta State 14-14 in the final game, thereby sending UNA to the playoffs.

No Stopping Them Now

Soccer at Mississippi College is gaining in popularity and spirit! Soccer team members were really excited about obtaining scholarships this year, because it enabled MC to bring in new players to supplement the already talented returning players. For the first time in several years the Chocs had two players per position. Although the season got off to a slow start, under the coaching of David Balyeat, the "Soccer Chocs" worked very hard on defensive and offensive techniques.

This year MC hosted the Choctaw Cup in which three Gulf South Conference teams participated. Delta State, U-T Martin, and Mississippi College played at MC; since MC boasts the best soccer field in the state.

MC defeated Delta State twice to capture the very first Choctaw Cup. With a positive attitude, they turned their season around, and there's no stopping them now.

MC'S NEW ARRIVAL: VOLLEYBALL

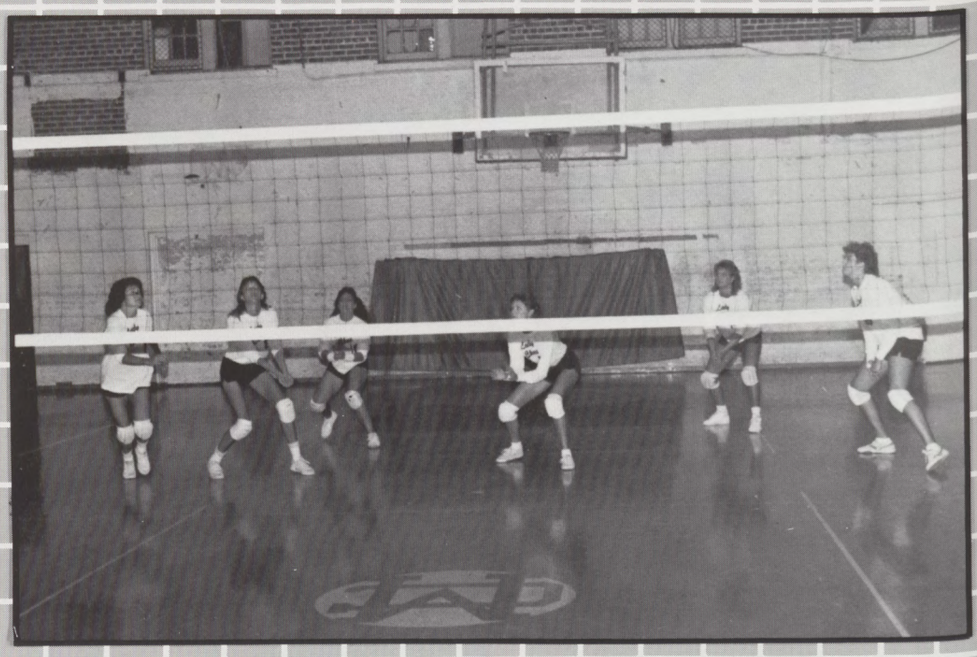

ALL EYES ON the ball and the Lady Chocs look ready to work.

PREGAME HANDSHAKE huddle for good luck.

A traditional sport has finally made its debut on the Mississippi College campus. Volleyball has always been a very interesting sport of a lot of campuses, but never at M.C.

Coach Rowanna Pope, a former MC standout in three different sports, felt the need for a volleyball team at M.C. because it is another sport for women to build and excel in. Coach Pope attended several camps and workshops this summer in order to learn more about the sport.

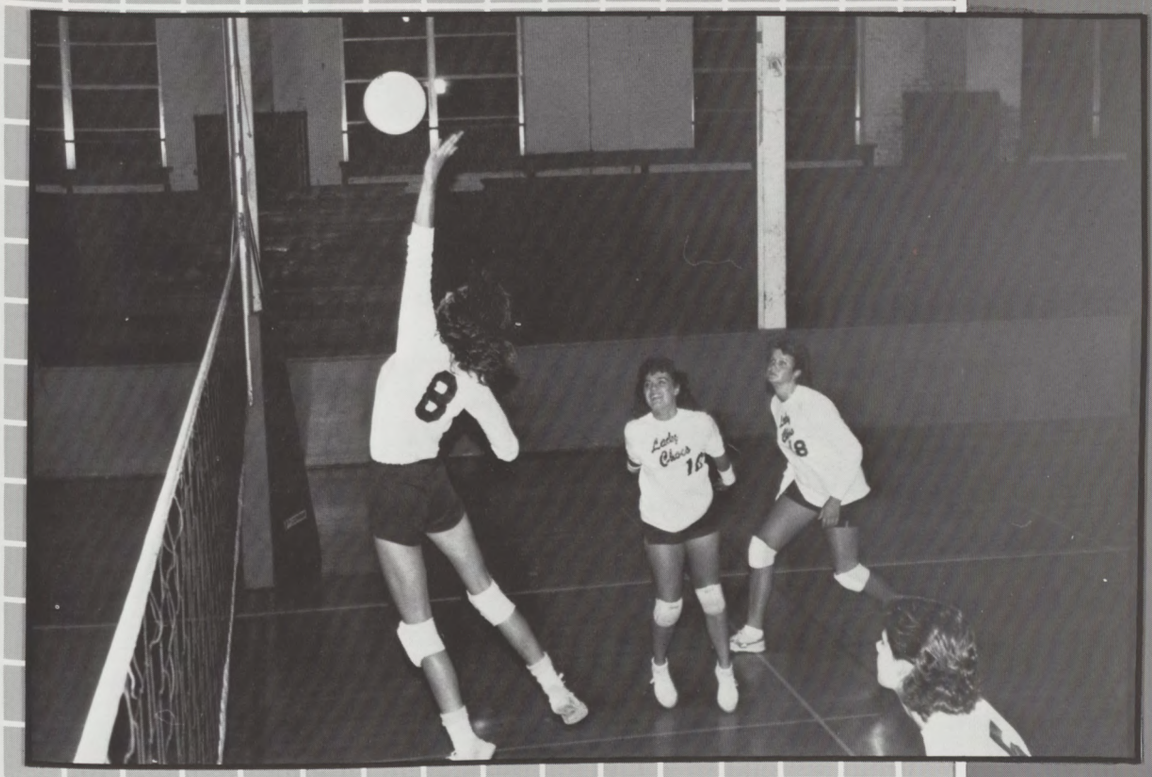

This was a building season for the Lady Chocs. In the beginning, many of the players had some experience, but lacked organization. The Lady Chocs had their share of struggles but that is not unusual for any team just starting out. In the future, Coach Pope has a lot of great plans for M.C.'s newest arrival—Lady Choc Volleyball.

Lady Chocs Rebuild

The Lady Choctaws, coached by former Lady Choctaw standout Rita Easterling, face a difficult schedule. However, with the return of seven starters from last year in addition to several talented recruits, the Lady Chocs still had high hopes. The Chocs began concentrating on fundamentals and conditioning but soon began working on developing a quicker, more "run and gun" type team. Another positive aspect was the participation of four players measuring six feet or more. Coach Easterling saw this year as one of the best recruiting seasons ever and this proved true with the addition of seven freshmen. The high number of recruits will prove beneficial to the Lady Chocs next year with the loss of three seniors: leading scorer Cindy Hannon, Most Valuable Player Janet Smith, and starter Mary Ellen Andrykowski.

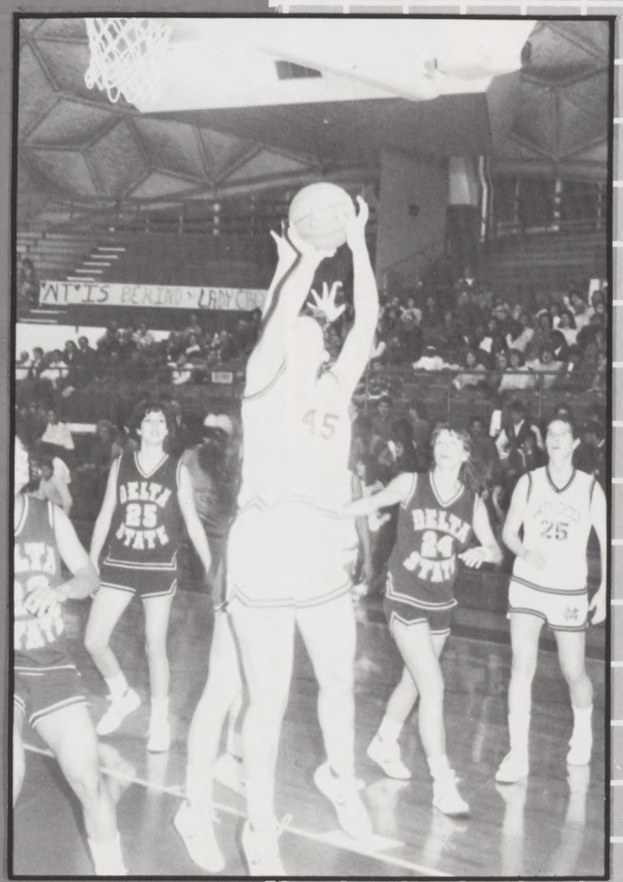

WHILE BRENDA PHILLIPS keeps statistics and Coach Rita Easterling keeps watch, Lisa Remauldo keeps her hopes up.

Holland game highlight of season

The Mississippi College Choctaws, under the direction of Coach Doug Hines for thirteen years, began the season with great dreams. With two starters returning from last year, along with four other lettermen and a group of talented freshmen and junior college transfers to augment the Choctaw's team. Coach Hines felt this was the best recruiting season since 1978. He slated quality recruiting and experience of members as the reason behind the good season.

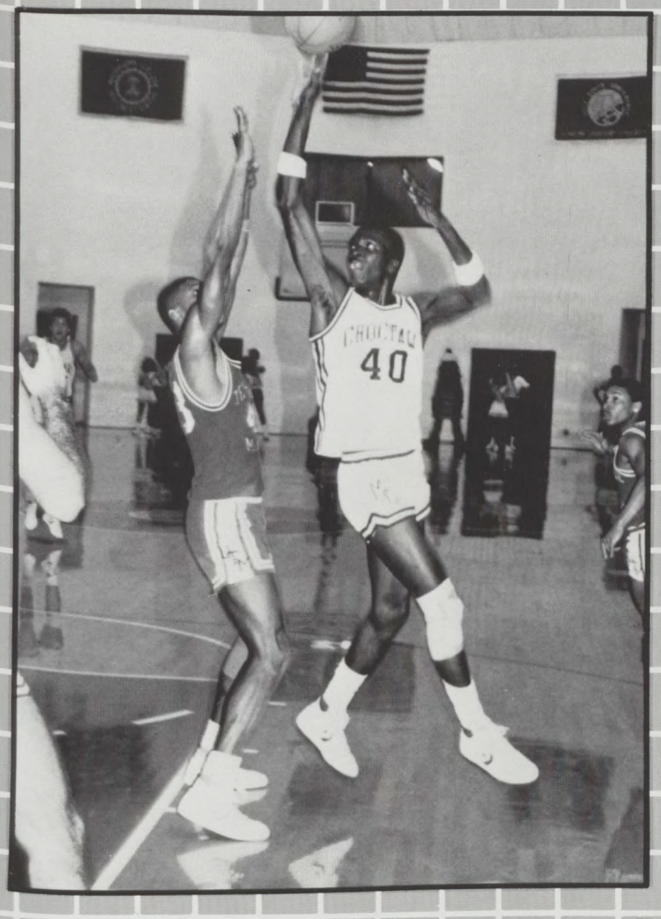

The high point of the season for the Choctaws was the game between MC and the Holland Olympic Team held in A.E. Wood Coliseum on November 20.

SOME LAST MINUTE advice from Coach Doug Hines.

RICKY GRIFFITH LOOKS FOR a free Choc to take it down the court.

JESUS HINES PRACTICING HIS "Superman" pose.

"WHAT DO YOU MEAN MY BOY FOULED HIM?!"

MC STUDENTS are SERIOUS about Choctaw basketball—especially at the Delta State games!

Do It Like A Choctaw!

Raising school spirit is not an easy task but a special group of talented students took on this responsibility in full force. Building pyramids, perfecting stunts, and choreographing dances are all part of the routine for the Mississippi College Cheerleaders. Their dedication and long practice hours were reflected in the outstanding performances at sports events and numerous awards.

Although the highlight of the year was National Cheerleading Competition during the summer, the MC cheerleaders attended the NCA Collegiate Cheerleader championship in Orlando, Florida in early January. Despite being the only Division II school represented MC's cheerleaders ranked 18th out of 20 universities.

The most well known of the cheerleading squad is the MC mascot, Chief Choc. Eddie Hatchett, as Chief Choc helped to entertain the children (at football and basketball games) as well as build the morale of the crowds.

ON THE BALL

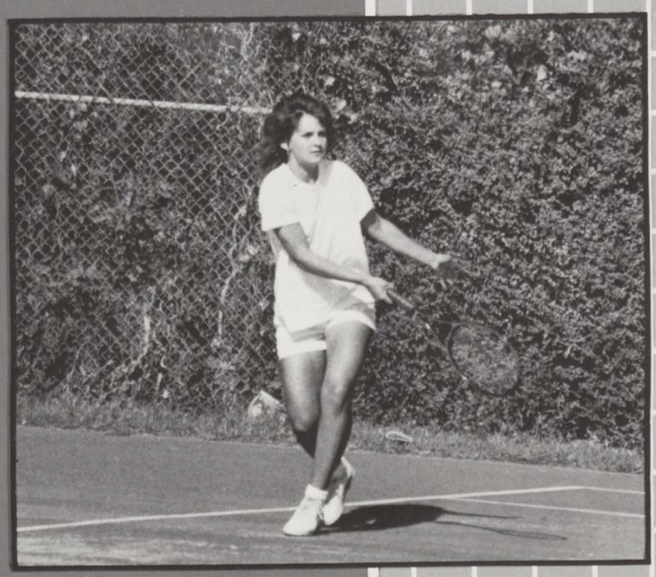

The Lady Chocs, under the direction of Coach Rowanna Pope, were a young team consisting of five freshmen, one junior, and two seniors. Many of the players were coming off of successful high school tennis careers and found the transition to college tennis to be a challenge. The Lady Chocs should be stronger next year with returning freshmen in addition to recruits.

That Winning Style

The 1985-86 Baseball Team continued under the direction of Coach Tom Gladney. With a team made up of very few returnees, the Choctaws came out ahead with a lot of hard work and determination.

Frierson Field stayed full of action with either baseball games or practice. Each day the Mississippi College Baseball Player encountered a practice or a game. With three starters returning from last year, the team had to learn the best way to work together. Although their schedule was very busy, a winning style was evident. The MC Baseball team ended the season with a 29-28 record. When JAY ALBRIGHT was asked about the season, he replied, "We had a young team this year with a lot of good talent. With more experience, each player will learn what to expect from other teams and himself better."

INTRAMURALS PROVIDE OPPORTUNITY

Students who wanted to compete in sports without many hours of long practices, or who wanted to play just for fun, were involved in intramurals.

Under the direction of Dr. Barnes, Kevin White, and Art Stevens; intramural sports were much improved, and they have high hopes of even more improvements for next year.

Dr. Barnes even held training sessions for intramural officials. Before officials could judge a game they had to go through one of these sessions.

Intramurals was a great way to get together with friends and the most interesting part of intramurals was the naming of teams. This year's intramural groups included: the Generics, the Ex-Chocs, the Lakers, the Law Dogs, and the Choc Straps: Foobidee.

Squeal Night 1985

Melainie Ward and Carolyn Fritcher show that even mud can be fun when you have just become Nenamoosha Rushees.

Kelton Morris sneers after his dirty deed.

While Dinah McHalffey and Craig Olham look on, Kelton Morris and Larry Kegley make sure Beth Smith and Cindy Flowers get GOOD and DIRTY.

Squeal Night 1985 is full of tradition and fun. As each girl runs, while yelling, to the tribe awaiting them, the guys plan the best way to get the most girls in the MUD!! Tradition proves that many a date is a result of "the encounter" on squeal night.

Lobby Life

Kahla Rogers tries to get some help from Pat Starnes in the Mary Nelson lobby, while Pat is on the phone to someone in Florida??—How about that formal date, Pat?—

Eddie Hatchett admits defeat after a girls vs. guys Trivia Pursuit game. He doesn't look concerned and neither does the "enemy", Dinah McHalffey.

Taking a break from watching the Academy Awards are Kyle Haney, Cathy Cole, and Dinah McHalffey.

More of MC's social life is conducted in the lobbies of women's dorms than anywhere else on campus. The lobby is a good place to study or watch the soaps, and an even better place to meet the opposite sex!!!

The lobby girls are especially helpful in calling the right girls down to see their guests . . . that is—when they aren't on the phone!

The new phone system at Mississippi College has made it even easier to "reach out and touch someone". Needless to say, this increased student "affairs" during the '85-'86 school year.

"DAYS OF OUR LIVES"

DAYS OF OUR LIVES

THE DAYS CAST CELEBRATES ITS 5000TH SHOW!

HAPPY 5000

For people who never attended Mississippi College, they were still some of the most well-known faces on campus. They were voted Most Handsome, Most Beautiful, and Most Likely to Keep Students from Attending Classes.

From 12:30-1:30 p.m. all dorm life ceased, voices were hushed, and coursework was put aside.

The adventures of Bo and Hope kept us from calculus. Pete and Melissa's stormy relationship affected english literature. And the return of Roman as the mysterious John Black (whatever WILL Marlena do?) got into the history chapter. Patch and Britta, Kimberley and Shane, Eugene and Calliope . . . Grandma Horton solved everyone's problems . . . what would we have done without them??? (Well, we might've gotten better grades . . .)

Christmas being an excellent time for a party, and Hederman lobby being an excellent place for one . . . of course it was a success. Hederman-Gunter girls invited guests for goodies, carols, and overall Christmas festivity.

Animals On Campus

A very special guest on MC's campus this year was "Miss C" the chicken, affectionately referred to by Roger Lamb as the "yard bird." She seemed to enjoy the company of students and especially the tidbits of everything dropped conviently for her consumption.

Other friends from the animal kingdom roamed MC at will. Likely to follow you ALL the way to class, was Gabriel. Even if your professors, your parents, and your roomate were mad at you, Gabe always had a friendly face to make you smile.

And what about the day we cruised out of chapel to find a cow in the driveway? No bull! Really!! Pat Gentry's contribution to SBA elections was one of the highlights of campaign week.

Mark "The Real" Veal accepts a dare to wear a rather untraditional chapel outfit.

"Thank you. These were the announcements for today from the land of the Blue and the Gold." Those immortal words from Mark Veal opened each of our chapels. (Thanks, Mark, for making Mondays and Wednesdays a little bit easier to handle.)

Actually, chapel time provided us all a chance to study to sleep, ("perchance to dream"!), and to see everybody else! Luckily, we had some excellent speakers this year, and everyone always looks forward to the Modeling Team Show at the close of first semester.

Student Body Elections

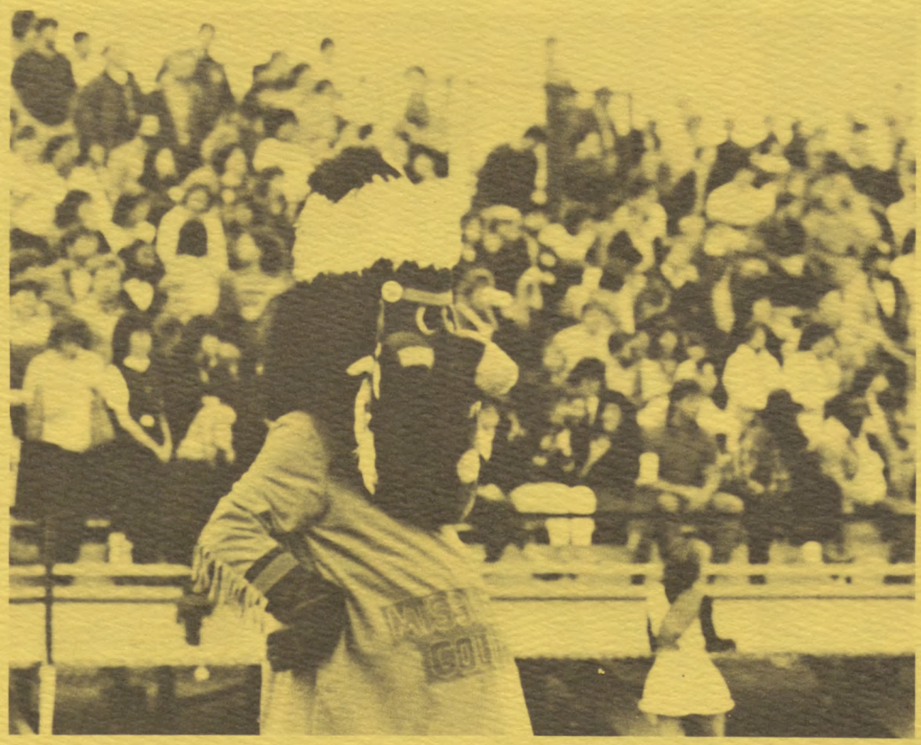

"Can you work the polls tomorrow?"—"I can't because I must get some signs made and put up."—"Will you pass these out on your floor for me?"—These are just a few of the common questions and statements during election time. Everyone seems to get involved in the campaigning process in some way. The creativity of each candidate definitely comes out in signs and activities. Each day seems to bring surprises to the campus during election time. Choosing campus leaders almost always is a hard task.

Dorm Life

Life in the dorms is great! You can learn responsibility, how to make good decisions, and how to be initiative. However, you know you've got trouble in the dorm when:

1. Your pile of dirty clothes is higher than your yesterday's pop test grade, or
2. You share a shower with a roach bigger than your soap bar, or
3. The night before you have a dream about throwing your little sister's doll out the window and you wake up the next morning and can't find your roomate.

However, the whole dorm life is a good experience IF you can't identify with number three above.

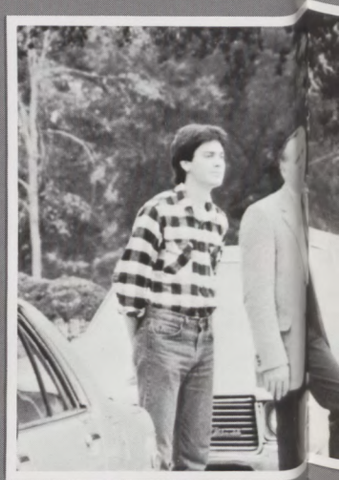

Audra Tutor, Heidi Herring, Renee Wallace, Pam Ratliff, Beth Smith, Gina Landrum, Mamie Whitehead, and Kimberly Smith pile on Vicki Brooks's bed while she is out of the room.

Mr. Art Stevens, SBA President

To the Student Body:

I would like to thank you very much for the opportunity to serve as Student Body President. This has been a year that I will always remember as being challenging, successful, but most of all, fun. I can not reflect on this year without pausing to thank Mark G. Veal, the rest of the SBA officers, and most of all, you the Student Body. Mississippi college has had through this past year its share of critics, but I believe that anyone who thinks that MC is mediocre has not seriously stopped to consider the quality of our student body. We have the best student body anywhere. I just hope that future SBA Presidents meet with the same cooperation and support that I have enjoyed while I was in office, because if they do, MC's superiority will not be questioned.

Sincerly,

The 1985-86 Student Body officers stayed very busy working for Mississippi College Students. Much of the work was done during the summer before the fall semester began, T-shirts had to be ordered, committees chosen, and concerts booked.

Freshmen Orientation and refrigerators rentals began the SBA officers duties in the fall. I Love America Day soon followed with Parent's Day not far behind. With November, came the first production of MC Homecoming Follies along with Homecoming itself. Three highlights of the Spring semester were changes in the intermural program, Spring Fever Day, and the Lee Greenwood concert.

Throughout the year, each SBA officer had duties which required many hours. The Senate is a very good example of a responsibility which was continuous; and proved to be very profitable with the purchase of a sign for the student center, revisions in the constitution, and the purchase of a new typewriter for the SBA office as just a few of their accomplishments. Elections, movies, ballgames, memos, traffic, ticket appeals, budgets, discipline cases, announcements and meetings were some of the activities which kept each officer busy.

Homecoming follies and the Twister tournament on Spring Fever Day were two new events planned this year in hopes that they would become Mississippi College Traditions. Working together as a team proved to be the winning element of the 1985-86 Student Body officers.

Delta Sigma Pi

Members

Officers

Delta Sigma Pi is a national fraternity organized to foster the study of business in colleges and universities, to encourage scholarship, social activity and the association of students for their advancement by research and practice. The Zela Sota Chapter of Delta Sigma Pi located at Mississippi College offers its members a great professional program involving numerous tours and speakers during each semester. Delta Sig also offers a very detailed pledge education program as well as several social activities throughout the year. Delta Sigma Pi each year sponsors the clash of the social tribes on campus—"Derby Day".

Inter-tribal Council

Jeannie Lane—sponsor

The Inter-Tribal Council helps maintain high social standards on campus. Activities of Inter-Tribal include welcoming incoming students, sponsoring the General Rush party, and organizing the coke parties and squeal night. The Council regulates tribal activities; rush, pledging, and initiation of members. Inter-Tribal works out conflicts that should arise between tribes.

Each spring the Inter-Tribal Council sponsors a Banquet at which everyone wears a jersey from another tribe. The Council is composed of the President and Vice President of each tribe. Jeannie Lane serves as the faculty/staff advisor.

Enforcing the rules and regulations

Judicial Council

The purpose of the Judicial Council is to enforce the rules and regulations of Mississippi College, hear any appeals from the Men's and Women's Affair Boards, and mainly to deal with any matters pertaining to traffic regulations. The Judicial Council made a sincere effort to treat each decision with the seriousness deserved and with fairness to both the Student Body and the Administration.

Supporting the ideals of MC

Mortar Board

The purpose of Mortar Board, a senior honor society, is to support the ideals of the college, to contribute to the self awareness of its members, to promote equal opportunities among all people, to advance the spirit of scholarship, and to recognize and encourage leadership. This year, Mortar Board has delivered birthday cakes ordered by parents, sponsored a smorgasboard for the faculty, and gave a sophomore scholarship. Mortar Boarders have also served at various receptions such as the transfer open house and the Homecoming Alumni Reception.

Other member: Carolyn Ingram, Karen White, Craig Odom, Karen Patrick, Paula Stennett, Judy Shanks, Pat Starnes, Mike Thornton, Scott Tramel, Joseph Woods, Terri Burkes. Melanie Darling.

Pi Gamma Mu

The purpose of Pi Gamma Mu is to improve scholarship in the social studies and to achieve synthesis therein; to inspire social service to humanity by an intelligent approach to the solution of social problems; to engender sympathy toward others with different opinions and institutions by a better mutual understanding; and to supplement and to support, but not to supplant existing social science organizations by promoting sociability an attendance at meetings.

Promoting Home Management

Row 1—Karen Virden, Darla Rice—chairman, Carman Robertson, Inga Hunt. Row 2—Johnnie Johnson, Dr. Bettye Coward—sponsor. Others not pictured—Kelli Clower, Donna Davis, Elizabeth Edwards.

Home Economics Club

The main purpose of the Home Economics Club is to provide and to promote the professional development of college home economics students. Members explore career opportunities and meet people who have obtained recognition in the home economics profession. The club promotes home economic leadership among its members and mutual understanding among people of all cultures.

Women's Affairs Board

The Women's Affair Board works with the Dean of Women to hand down discipline to female violators of the school rules and regulations. The board oversees the dormitories with regard to students living in them. The board also reports any breakdowns or malfunctions in the dormitories to Maintenance. Not only is the Women's Affairs Board a governing body for female students, the members of the WAB also participate in and help organize campus events. Parents Day was the main event WAB helped with this year.

Men's Affairs Board

The Men's Affairs Board is responsible for the discipline and enrichment of life for the male students. This year, the Men's Affairs Board met to discuss disciplinary cases and to allocate each dormitory president with enough money to provide parties, movies, etc. throughout the year. The MAB also met with the WAB to schedule open dormitory dates. Our board consists of: chairman, vice-president, secretary/treasurer, presidents of each male dormitory, and a freshman representive.

Alpha Lambda Delta

Alpha Lambda Delta is a national scholastic honor society for freshmen. Membership is based upon a g.p.a. of 3.5 or higher during the first year of college. The purpose of A is: to encourage superior scholastic achievement among students in their first year of college, to promote intelligent living and continued high standard of learning, and to assist women and men in recognizing and developing meaningful goals for their roles in society. This year funds were raised to buy blankets for poor people in the Clinton area. They also sold "Welcome Back-grams" and turned the money over to Four Cs welfare agency to distribute the blankets.

Thursday—The day for news

THE COLLEGIAN 85-86

THE COLLEGIAN is a weekly newspaper supported and produced by the students of Mississippi College. The paper covers campus events and other news of interest to students and is distributed Thursday evenings except during holidays and exams.

Editor of THE COLLEGIAN was Kyle Moore and Hayden Dent was the Business Manager. Many hours of hard work go in to the production of each issue of THE COLLEGIAN. Many times people who were not on the original staff write various articles for the paper. Assisting the Editor and the Business Manager were Steven Shite, assistant editor, Janet Pope, Sports Editor, Janice Donald, Candi Hamiter, Jane Hubbard, Larry Kegley, Kim Norman, Van Savell, Ann Sommers, Eugene Stockstill, Melanie Sanderson, and Bill Williams—writers; Don Chenevert, and Ward Calhoun—photographers. Norman Gough serves as the sponsor.

Row 1—Candi Hamitor, Jane Hubbard, Kyle Moore, Steven White, Ward Calhoun, Row 2—Van Savell, Bill Williams, Eugene Stockstill, Ann Sommers, Janice Donald.

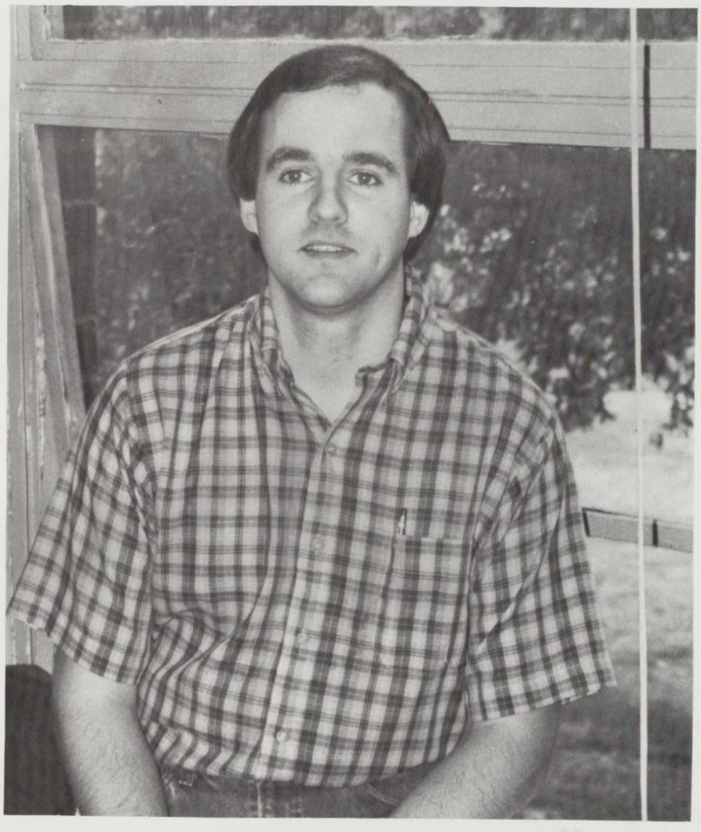

Kyle Moore, Editor

The editor of THE COLLEGIAN kept a busy schedule to say the least. While majoring in Physics, Kyle managed to teach a Physics class at a highschool nearby and also write an Honors Paper. Dedication and hard work were definitely elements found in Kyle's life. Being the editor alone took many hours of work and many times this work may seem unappreciated. Many thanks goes to Kyle for the production of the 1985-86 editions of THE COLLEGIAN.

The Modeling Team

On a weekly basis the modeling team meets to learn about various aspects of modeling. Sometimes they have guest speakers and other times they practice what they have been taught. Each year they model for different stores all over the Jackson area. Everyone on campus looks forward to the chapel program the modeling team is in charge of in the fall.

Baptist Student Union

B.S.U. at Mississippi College has many definitions—a fellowship of students, a program for students, an organization involving students—but always with the goals of personal involvement in Christian discipleship and growth and service and ministry to others.

To meet these goals, B.S.U. is the clearinghouse for most campus religious activities and sponsors such things as the weekly "gathering;" Bible study groups; Discipleship groups; Weekly mission trips to such places as nursing homes, the Baptist Children's Village, Crippled Children's Hospital, and Kid's Club; MC Summer missionaries; family groups; action teams; Baptist Young Women; Cross-Section; retreats; and summer mission trips.

At the Mississippi BSU leadership training conference PRIORITY was introduced to others besides MC students. So far PRIORITY has been what is was created to be and with continued prayer and support, PRIORITY will be assured that their ministry is only just beginning.

This year Kissimee has participated in several events including elderhostal adoption, making treats for crippled children at Halloween, a Halloween swap with Circle K, and a Valentine party with Nenamoosha.

Laguna Social Tribe

Laguna Social Tribe attempts to emphasize the importance of love and sisterhood in their daily lives. Her colors are blue and white, her flower the blue carnation. Precious mice are her symbol. During the year Laguna proved again to be competitive at Derby Day and walked off with the trophy again. Lagunas are always busy, whether it be special projects or just having fun. Service projects include the rock-a-thon for Muscular Dystrophy and helping out needy families at Thanksgiving and Christmas.

By working in Laguna, each member is strengthened in all areas of their lives. Laguna uses the potential of each member to its fullest benefit. Thus, in the end, the goal of Laguna is reached in providing girls with well-rounded social lives by developing poise, personality, grace, leadership, and Christian ideals.

Nenamoosha Social Tribe

Happiness, in Nenamoosha, is symbolized by red hearts, roses, and teddy bears. Each girl stays very busy with various activities in Nenamoosha. NT started the year off right with "Some Enchanted Evening" as the rush skit and then stayed busy with a swap with both service clubs in the fall. One of the highlights of the football season was a picnic before the Choctaws took on the Gamecocks. Service is one of the most important aspects of Nenamoosha and therefore NT girls went to the hospital at Halloween to take candy to the children. They also took a needy family food at Christmas and Thanksgiving. In the Spring, Nenamoosha went to the Baptist Mission Center one Saturday to help them prepare to move to a new location.

Nenamoosha attempts to emphasize participation, leadership, and the development of personality and Christian character. The song "We Are One In the Bond of Love" strengthens the message of togetherness and the bond of love which represents Nenamoosha!

The Mississippi College Chapter of Civitan International participated in a variety of service projects for the benefit of the school and community during the 1985-86 academic year. The most notable project was Civitan's 120 mile Lung Run to Delta State to raise money for the Mississippi Lung Association. The Civitan men also came out in force to coach the very special children who participated in the Special Olympics. From putting flags throughout Clinton on all national holidays to helping tutor local school children, Civitan has shown its willingness to help, to serve, and to improve the world around us.

Wendy Wilkes receives good experience by working in the Lab School.

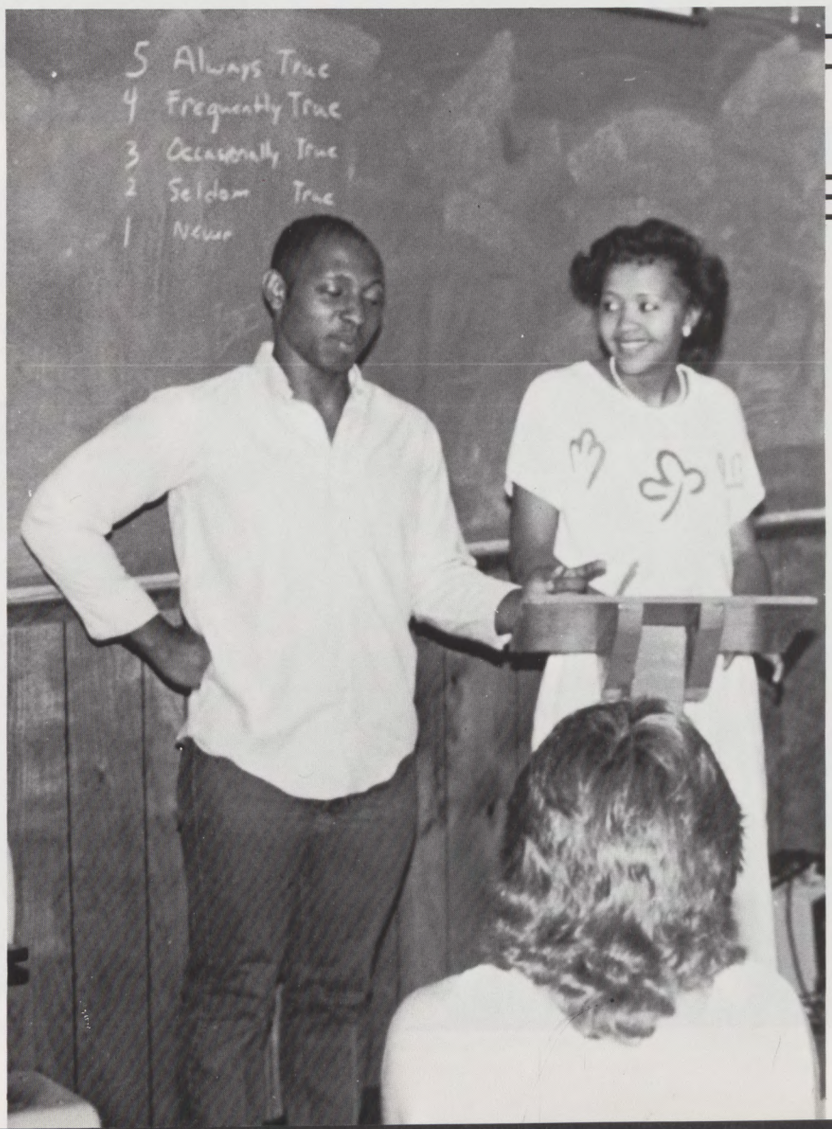

Fellowship of Christian Athletes

The Fellowship of Christian Athletes (FCA) is made up of a huddle of Mississippi College students who love the Lord and want to grow in their Christian Lives. The motto found in the Mississippi College huddle is that they need to be called the Fellowship of Christian Anybodies, because the membership is not limited to athletes although the majority of the members are athletes in some form. The huddle's purpose is to increase the awareness of Jesus Christ into fellow students and to grow while encountering things in life.

The Soccer Booster club has only been in existance a very short time but it has been a big asset to the Soccer team. During the year, the members of the club plan special events to encourage and help the soccer team.

Phi Alpha Theta

Phi Alpha Theta is an honorary society for students and faculty members who are interested in the study of history. Its purposes are to stimulate the study and interest in history on the Mississippi College campus; to promote the development of superior history students by intellectual discussion and stimulating research projects; and to further a spirit of common purpose and cordial fellowship within the department by giving an opportunity for professor and student to meet on the same level outside the classroom.

Officers—Becky Montgomery, president; Linda Alexander, vice president; Paula Womack, secretary; Lynn McWhorter, reporter; Anne Montalvo, historian.

Student Nurses Association

Opportunity for Nurses

Students who have decided to enter the nursing profession are offered membership in the Student Nursing Association. Through Student Nurses Association, each student is given the opportunity to enhance her/his understanding and experience, as well as leadership skill in the Nursing Profession.

Representing the Students

The Senate is presided over by the SBA vice president and is composed of representatives elected from across the campus. The Senate elects a Pres. Pro Tem, Parliamentarian, chaplain, and sergeant-at-arms. It acts in the interest of the student body in the formation of constitutional laws. The major actions of the 1985-1986 Senate were the purchase of a digital display sign, the addition of a new duty for the class presidents to the Senate code of legislation and the purchase of a new typewriter for the Student Body Association office.

College Bowl Continues

ODK is a national honor society for college men and women. The purpose of ODK is to recognize student leaders, to provide additional leadership opportunities, and to serve the college community with programs and projects of a varied nature.

The members of ODK worked the concession stands at the home football games in order to raise money for the annual scholarship given by the circle. Also, during the fall semester, the members assisted with Homecoming activities and conducted its major initiation ceremony. In the Spring, ODK's major activities included the traditional College Bowl and their bi-annual Flea Festival/Garage Sale. The circle also awarded a scholarship to a worthy junior and elected the Freshman Man of the Year.

Mountain Dew, Snickers, Croppers, music, and more caffeine enriched Mountain Dew—our only life!

The 1986 TRIBESMAN Staff worked very hard to produce a book you could use to help you remember your days here at Mississippi College. Although at times we weren't sure we were going to survive, the week some of us stayed in the Mississippi College Infirmary proved to produce the final product. Many thanks goes to many people and if all of the names were even attempted to be mentioned, we would definitely leave some out. You know if you helped with this publication, and if you did—THANKS!! Many times we would stop and ask the question "Does anyone really care?" Does anyone care that I had to cancel my long awaited vacation, or that I didn't get to have a break at Christmas or even in March? Does anyone appreciate the sacrifices that I had to make to produce this yearbook? We wish the answer to the questions we kept asking would always be "YES!!" but we understand that unless you have poured your life into the publication on a yearbook, you can NEVER understand the extent of sacrifices that must be made. All we can say is we did our best, so we hope you will be able to look at this book years from now and REMEMBER . . .

Tri-Beta

Tri-Beta has had several speakers for Biology students. Selection of speakers has been based on relevance to further education, such as medical, dental, or graduate school. The speakers have helped students explore all possibilities. Tri-Beta has also had many social engagements, such as ice cream parties, steak dinners, and barbeques.

The Mu Beta Chapter has become an active chapter this year after one year of being idle. The chapter had a T-Shirt sale as a money-making project and made its way into the quarterly Bios journal with a picture of students wearing the shirts. The chapter also had a homecoming float for the first time this year.

BAREFOOT IN THE PARK

The cast of the 1985 fall production, BAREFOOT IN THE PARK by Neil Simon were Darrell Shirley as Paul Bratter, Janice Donald as Corrie Bratter, Allen Smith as Mr. Velasco, Elizabeth Patterson as Mrs. Banks, Webb (Kevin) Gillentine as the Telephone Man, and Bert Douglas as the Delivery Man. The technical crew consisted of Director Stan Tucker; Assistant Director, Kim Norman; Stage Manager, Jeff Harwood; Assistant Stage Manager, Bert Douglas; Costume Mistress, Jan Moore; Lights Operator, Scott Carter; Publicity Agents, Allen Smith and John Kelley; and Box Office Sales Agent, Mellissa Wright.

Niel Simon's comedy centers around the first week after the honeymoon of Paul and Corrie Bratter. With a new husband and a fifth floor apartment with a hole in the roof, no elevator, backwards plumbing and heating, and a neighbor who must go through her bedroom window to get to his apartment, Corrie has never been happier. Paul has his first case in court, her furniture has arrived, and she's planning a blind date for her mother "with probably the most attractive man she's ever met." What could go wrong? Kniche, Mr. Velasco's bathrobe and slippers, pink pills, an Albanian restaurant on State Island—just to name a few. Corrie cries, "I want a divorce!" as the laughter rolls. BAREFOOT IN PARK ran on October 15 and 17-19 in the Aven Basement Thrust Theater.

THE RAINMAKER

The cast and crew of the 1986 spring production, THE RAINMAKER by Richard Nash, were Jeff Harwood as H.C., John Kelley as Noah, Dale Tadlock as File, Kimberley Tanner as 1Lizzie, David Compere as Jimmy, Scott Green as the Sherriff, and Allen Smith as Starbuck, Angela Stewart as Stage Manager, Chris Gibbs with lights and sound, Melissa Wright and Kim Norman with Box Office and Costumes, and Allen Smith, John Kelley, Kim Norman, Bert Douglas, and Cathy Andreasen with Publicity. Stan Tucker was the director of the production which was performed on February 25, 27-29 in the Aven Basement Thrust Theater.

The play's main focus of attention is the Curry family—father H.C., sons Noah and Jimmy and daughter Lizzie, each with his or her own problems, but all faced with a dangerous lack of water. After winning his way into the stomachs of at least half of the family, Starbuck (rainmaker) convinces H.C. to invest 100 of his much needed dollars in a much needed rainstrom. The results which this "swindler, con artiste, liar" gets are a genuine surprise to all, in more than one way.

ANYTHING GOES!

They did it in the park, they did it in the restaurants, they did it in their rooms and some brave souls even did it in the library. Yes, the truth is out: Mississippi College students . . . studied.

From the rituals of nightly scholars to the panic of exam-crammers, everybody had a favorite place to toil in their quest for knowledge.

Some chose to study close to home. Famous Wig-Wam milkshakes proved to be good brain-food and easy on the pocketbook.

Studying in the quad or Lion's Club Park had a two-fold benefit: a tan and an excuse to take a frisbee break.

The library/media center was popular, but it closed at 10:00 p.m. And since calculus waits for no man—where to??? You name it, there's probably been an MC student who's tried it!

Several area eateries were plagued by groups of students huddled over coffee cups 'til the wee small hours. The Kettle and the International House of Pancakes served breakfast to hunger-ridden history majors, swamped psych students, and little, lost language scholars.

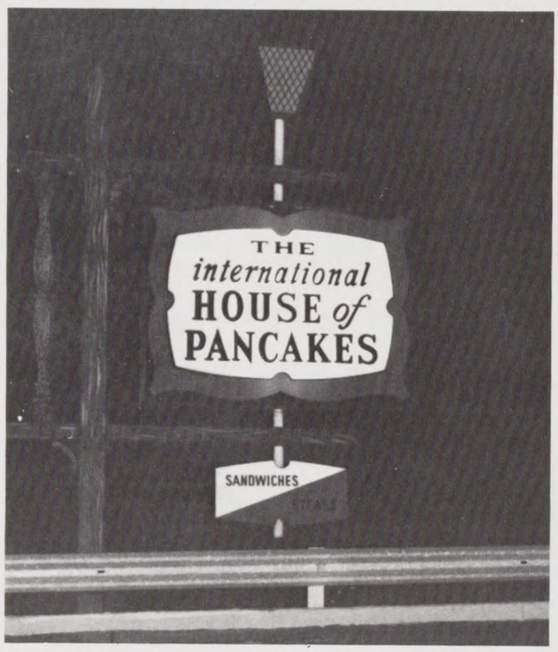

For studying on-the-run, the Krystal drive-thru was a lifesaver and of course, there was Skelly's (try the pecan pie!).

For those who diligently devoured long texts in the privacy of their rooms, late-night media was the only hope. David Letterman kept some awake, while others cuddled up to their radios with the graveyard shift disc jockeys.

Studying MC-style? Anything goes!!!

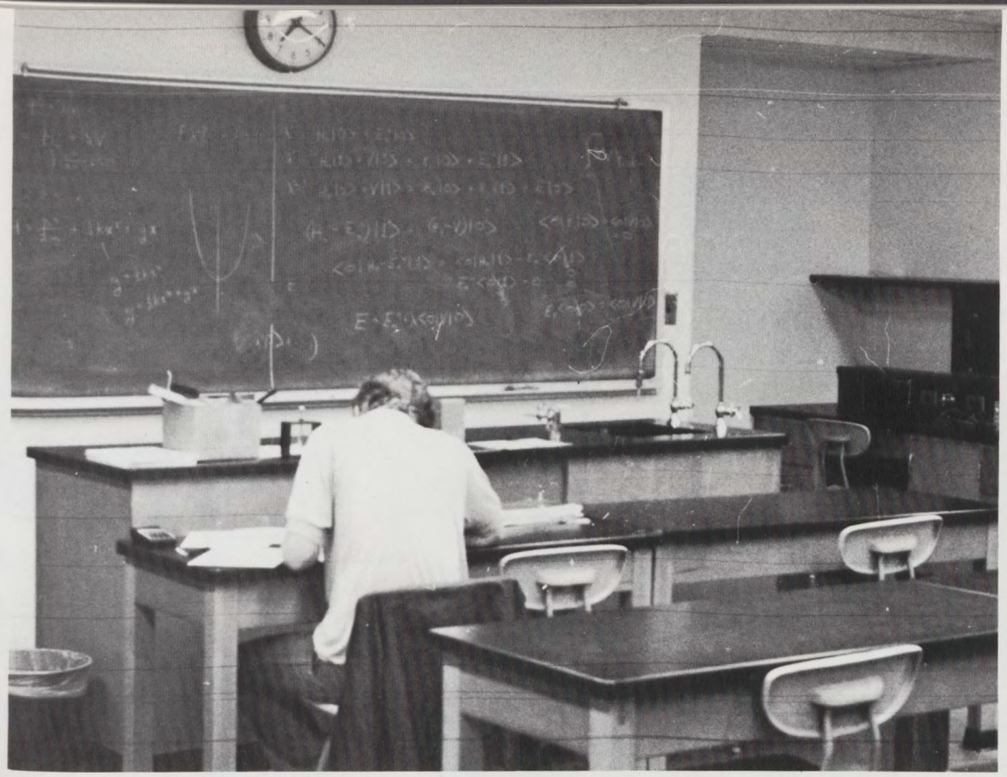

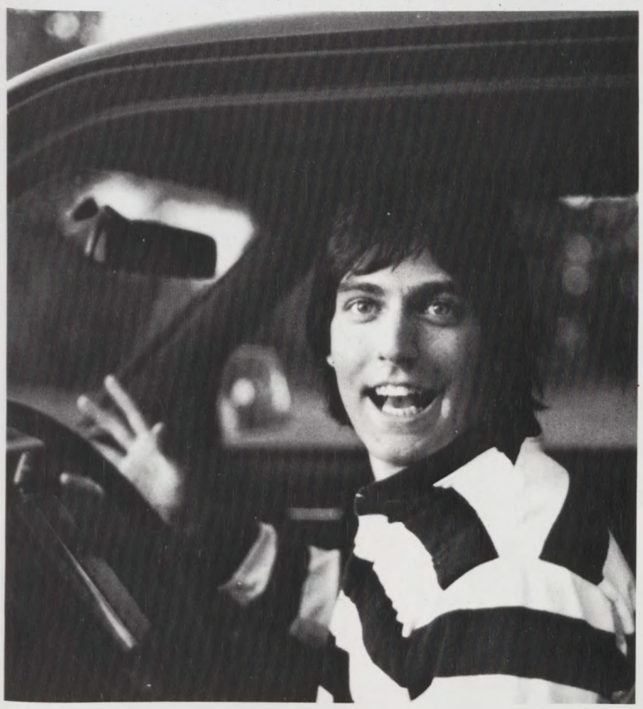

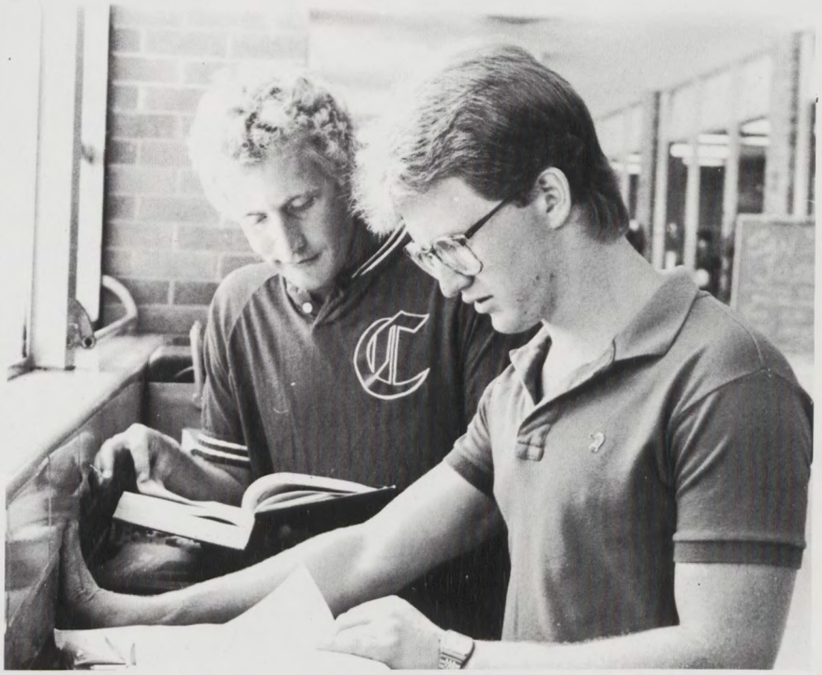

THE LAB SERVES as a great after-hours study hall.

SELWYN ELLIS AND CHUCK MAY take a last minute peek at their notes before picking up some "brain food" in the cafeteria.

BILL SMITH AND SUZANNE POWELL get in some serious studying in the basement of the library on the road to finals.

DOUGLASS FOSTER AND CARLOS RODRIGUES search through microfiche copies of newspapers during a research project.

DARRELL WHITAKER tries to make some sense out of his Management Finance homework.

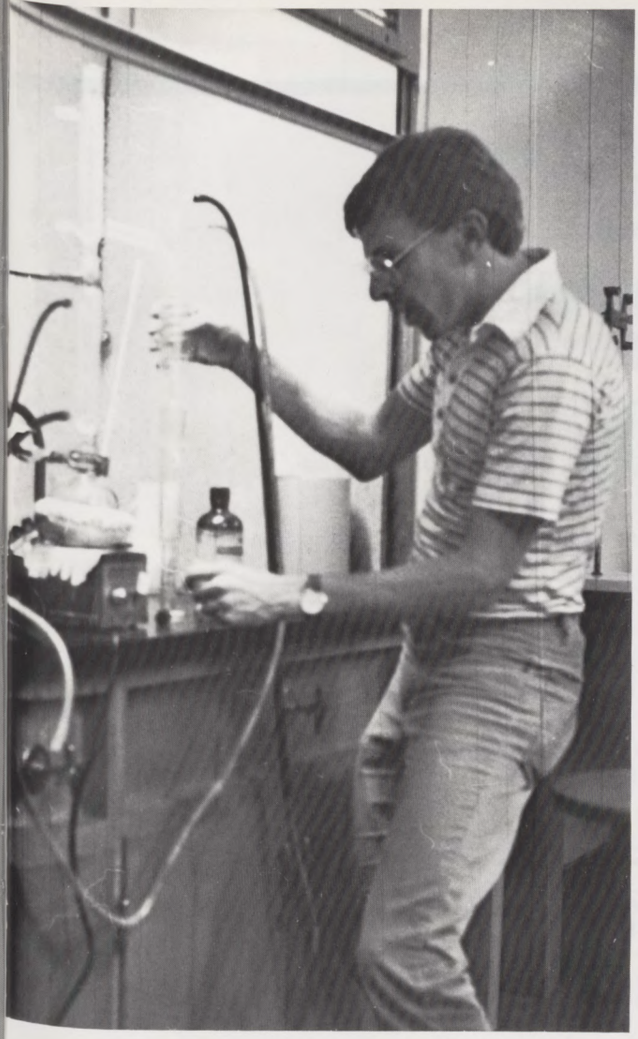

RUSS HAYMAN lounging in his pasley chair: There is NO WAY you'll convince us that you are studying, Russ!

ANDY TALLEY AND DEBBIE MADURA share a joke and an Accounting Book, while Todd Prather catches up on current events. Where else, but THE WIG?

VAN "DR. FRANKENSTEIN" SAVELL prepares a deadly potion to use in poisoning his professors. We have created a monster!?!!

"UH, FINALS? Yeah, well, see there was this Mazzios guy walking around with nothing to do, and . . . " Scott Lyle caught with his mouth full! Do you really love cats?! (sign)

DARLA RICE AND KAREN VIRDEN prepare something for Home Economics. Do you really plan to get married and do that home stuff?

Academic Football Team Announced

Mississippi College has placed 11 players on the 22-member Gulf South Conference All-Academic Football Team for 1985 as announced by GSC Commissioner Ralph McFillen.

Mississippi College, the only private school in the nationally recognized Division II conference, dominated the academic list after the athletes had used their playing ability to register a fine 7-2-1 record during the regular season. They were nationally ranked almost the entire campaign.

Mississippi College players honored were:

Greg Bloodworth
Earl Conway
Tripp Higginbothan
Tommy Hillman
Dean Hudson
Jim McGhee
Joey Parham
Lane Wilson

Ruffin Reads Poems at Coffee Hour

Dr. Paul Ruffin was the special guest speaker at the October 16th Humanities Coffee Hour. Dr. Ruffin, a native of Columbus, Mississippi, is a poet, a novelist and is the editor of The Texas Review. During the Hour he shared several of his published poems and a short story about determining the sex of a catfish. He also read "On Susan's Toes", a humorous poem about the toes of a young student at the Sam Houston State University. Says Dr. Ruffin, "Literature does not always have to be deadly serious."

The Humanities Coffee Hour meets every month and is made possible by the cooperation of the English, foreign language and communication departments of Mississippi College. They attempt to provide a variety of interesting speakers and subjects to allow MC students to develop their cultural interests.

Glover Addresses Businessmen

British journalist Stephen Glover spoke to Mississippi College groups on three different occasions Thursday, Oct. 31, as part of a national lecture tour sponsored by the United States Industrial Council Educational Foundation.

At noon he addressed a gathering of invited business and professional leaders of Jackson on the topic of "The United States or the Soviet Union? South Africa's Ultimate Ally."

Earlier in the afternoon, from 3-4 p.m., Glover met informally with students and faculty during which they discussed Aspects of Contemporary British Domestic Politics."

Glover is African Affairs writer for The Daily Telegraph in London, England with additional responsibilities as editorial writer and columnist.

Simmons Speaks at Spell Lectureship

The Spell Lectureship for 1985 was held November 4-6. The guest speaker was Dr. Paul Simmons, Professor of Christian Ethics at The Southern Baptist Theological Seminary in Louisville, Kentucky. Dr. Simmons spoke in chapel on Monday and Wednesday, to the BSU on Monday evening, and to several Bible classes and the School of Nursing.

Dr. Simmons has had experienced in the pastorate, he is in demand as a conference leader, and is the author of three books and numerous articles. He is listed in Who's Who in Religion, Director of Contemporary Authors, Director of American Scholars, Directory of American Scholars, Directory of International Biographies, and Who's Who in the South and Southwest.

Students Flock for Science Tourney

They come from 180 of the over 300 public and private high schools across the state, from as near as Clinton to as distant as Corinth. There is even an entry from Arkansas. "They" are the participants of the twelfth annual Mississippi College Science and Mathematics Tournament.

The competition is for $75,000 in scholarships, with first place in each division receiving $1,000. This was the largest turnout in the history of the fair, although participation has been fairly steady for the past five years.

Each school may send a maximum representation of nine students, four of whom may also compete in team competition. Each student elects to take two tests from the areas of math, chemistry, biology, and physics.

Borman Addresses Air Safety At Press Conference

"Air travel is still the safest form of travel today." That statement came from Colonel Frank Borman, former astronaut, Air Force test pilot, and current President and Chief Executive Officer of Eastern Airlines who addressed the student body during the annual William B. Cockcroft Forum on Free Enterprise on Sept. 18.

Following the chapel address, Colonel Borman held a brief press conference in the media center studio to respond to questions from the news media, school officials, and a class of journalism students. Most questions asked concerned the apparent safety of current air travel due to the recent series of airplane crashes killing hundreds of passengers on flights throughout the world.

Only one class ring can really fit you.
And Campus Supply has it.

Your class ring should be as unique and special as you are. And it can be, when it's from Balfour. Because **you** choose the style, the stone, the decoration, the engraving—to create a class ring that is yours alone. Your own personal class ring from Balfour. No other can express who you are so exactly. Or help you recall those special times so clearly.

Balfour. *No one remembers in so many ways.*

Volume—#49
Job Number—1325
Paper—80 pound enamel
Book Size—9x12 collegiate

THE TRIBESMAN 1986 is an official publication of Mississippi College. Volume 49 was printed by Herff Jones Yearbooks of Montgomery, Alabama. Volume 49 is the first summer delivery book published here at Mississippi College. Many of you may think that all of the problems this book encountered was caused because of the new delivery date. Let me assure you that the new delivery date had nothing to do with the problems that occured. After conducting a survey among the student body, the choice of a summer delivery was reinforced. The summer delivery allows each yearbook to contain the complete school year in one book. It is supposed to be delivered by fall registration of the next year with the seniors being given the option to have their yearbooks mailed to them. Since the production of the yearbook is a service all students pay for, it is also our hope that more students will receive their copy of the yearbook in the future. After a few years, you will see the advantages of the summer delivery.

CLOSING REMARKS

As I sit here and draw out this layout for the second time, I have to admit this is the best feeling I have had in a while. We had decided not to have a write up like this one, but because of the events that have happened since we thought the yearbook was finalized, we decided you deserved some type of explanation for the delay of the delivery of this yearbook.

To say the very least, everything that could go wrong did go wrong. First of all our representative at Herff Jones Yearbooks became very ill and then the final shipment of pages for the yearbook (about 90 pages) was lost in the mail! Go ahead believe it—I finally had to! When I received the news that the last shipment had not been received at the plant, I thought it was someone's idea of a joke. Quickly it became a reality!

With much hard work and many long hours, I am finally finishing up this yearbook for the second time. As we mentioned earlier in the organization section, I understand that you can not comprehend all of the events that have happened and the sacrifices that have been made for you to be reading this right now. So many times I thought all of the pages were at the plant being processed only to find out differently later. Everything is to the point now that I will not believe this book is completed until I hold the finished product in my hands! Many lessons have been learned through this whole nightmare and right now I feel like the mistake of saying YES to being co-editor of this yearbook will haunt me forever! The only way I will feel like this 1986 yearbook was worth half the trouble is if you look at it years from now and remember your 1985-86 school year at Mississippi College!—Angela

THANK YOU . . .

A NOTE TO YOU

Cindy, Kahla, Kim, Mary Katherine, and Kyle for your dedication and sacrifice to the production of this yearbook. (The infirmry and The Student Center somehow have new meanings now!)

Dr. Graves and Dr. Cox for your support and encouragement, especially when we were faced with yet another unexpected event. Thanks for believing in me, because sometimes I did not think I was going to survive.

Mr. John Evans for taking over as our representative and keeping a positive attitude.

Ms. Debbie Kennedy and Ms. Lou Johnson at the plant for keeping us updated on the progress of the yearbook.

Mr. Norman Gough and Mrs. Louise Hudson for listening to all of the student and faculty complain about the late delivery of this book.

Jeff Wilson for stepping in as Photo Editor and doing a Wonderful job.

Becky Montgomery for typing the complete Senior Index.

Rev. and Mrs. James E. Smith for your understanding attitude when I did not get to come home much because of the hours I had to spend redoing this yearbook and for forgiving me for saying YES to being co-editor of another yearbook! (I promise I have finally learned my lesson!)

Beth, my sister, for listening to all of my complaints and giving me the confidence I needed to complete this book for the second time. Thanks also for assuring me that at least one person will appreciate everything I sacrificed.

Everyone who had anything to do with the production of the 1986 Tribesman for everything they contributed.

DEDICATION

THE 1986 TRIBESMAN IS DEDICATED TO THE MEMORY OF MR. BILL BENSON

Mr. Bill Benson spent most of his life in the publication business and has handled the publication of the Mississippi College yearbook even before he was with the Herff Jones Yearbook Company. He was very dedicated to his job and even continued to work when he became ill. The past Mississippi College Yearbook Staffs owe a lot to Mr. Benson, so we would like to dedicate THE 1986 TRIBESMAN to the memory of Mr. Bill Benson.

MISSISSIPPI COLLEGE ALMA MATER

Rising in state as the crest of a hill;
Staunch as a rock is our dear Alma Mater,
Fairest of all is our dear Mississippi
Round her so noble our hopes ever live.

When in the future, our hearts may be yearning
For the bright scenes of our dear college youth,
Back to thy portals our memories turning,
Clear beams thy beacon of virtue and truth.

M.C. we hail thee, our dear Mississippi,
Queen of our hearts, no foe shall alarm;
Faithful and loyal thy children will ever
Cherish thy mem'ry, acknowledge thy charm.
